

KOSHER WORLD ADVENTURES

OFFERING KOSHER VACATIONS THROUGHTOUT THE WORLD SINCE 2015

Kosher World Adventures Orientation

Hello to all the Kosher World Adventures participants

Welcome!

Here are 12 points to take into consideration:

1. The most important thing about KWA vacations is all about being in a positive, friendly, and supportive atmosphere. This means looking out for each other during a trip, for example, lending a helping hand, Lending sunscreen or water, etc. It also means leaving at the door to the guest house or chalet any sarcasm or critical remarks. Just ask us for whatever you need and we will try to give it to you.
2. At KWA we gather people by calling out "Nice people" This is a beautiful aspect of KWA. Why is that? Because it sets a pleasant atmosphere.
3. We are going to keep doing name circles so we get to know each other's names. With that, if you don't know someone's names keep asking them even if it is day 3 or 4 of the trip.
4. Any logistical issues anything or anything you are not happy with please share this info with the tour leader asap. Please don't wait until the end of the program.
5. With our desire to help, we too are human and will be working 16-18-hour days. Please keep that in mind. So please share what you need - yet please do so gently.
6. Safety-
 - On our walks+ hikes please walk behind tour guide. You must notify the tour guide if you decide to leave the group.
